

English IV Honors Summer Assignment

Assignment 1: Please procure and read your own paper copy of *1984* by George Orwell. You will not have a writing assignment to complete over the summer, but you should be prepared for a reading check assessment on the second day of school. You will also be expected to write a series of in-class essays on the novel. In addition, after we discuss the novel in class, you will take a test over the material we discuss. Please wait to read the novel until late July, as I would like the information to be fresh in your minds. Do not consult any supplements, such as Sparknotes, Shmoop, or the like; I consider such actions as cheating.

If you should have any questions or concerns, please do not hesitate to contact me over the summer @ druth@covcath.org. Have a safe summer!
