Introducing Director of Advancement for Covington Catholic High School

Covington Catholic High School introduces Ms. Tara Leen as Director of Advancement, effective immediately. Ms. Leen joins CovCath following an impactful career as the Development Director and Executive Director at Faith Community Pharmacy.

Ms. Leen began at Faith Community Pharmacy in 2012 as Development Director. Faith Community Pharmacy is the only charitable pharmacy in Northern Kentucky, according to their Facebook page. They provide free medications to those in need. Tara's role was to raise funds and awareness for this unique mission in Northern Kentucky. During her six years, the pharmacy attained a healthy budget, increased donor retention, advanced technology to improve operations and recruited new staff to advance the mission.

When asked about joining Covington Catholic, Tara was full of positivity, "I am excited about my new role as the Advancement Director at Covington Catholic and feel this opportunity meets my needs professionally, personally and spiritually and gives me the opportunity to continue building relationships with the generous residents of Northern Kentucky. I have found already that CovCath has a wonderful network of alumni, parents, students and staff who have such a contagious spirit and I feel fortunate to now be a part of that!"

Tara is a proud graduate of Northern Kentucky University. She and her husband, Tony, have three children: Anna is a freshman at Notre Dame Academy, Owen is a 7th grader at Blessed Sacrament School, and Ellie is a 5th grader at Ryland Heights Elementary. The Leen family are members of St. Patrick's Parish.

Covington Catholic High School is a 2016 Blue Ribbon of Excellence award winning college preparatory high school located in Park Hills, Kentucky, and operates within the Catholic Diocese of Covington. It is an all-male school of 585 whose mission is to embrace the Gospel message of Jesus Christ in order to educate students spiritually, academically, physically and socially.
